2025 Australian Architecture Conference Steering Committee Announced

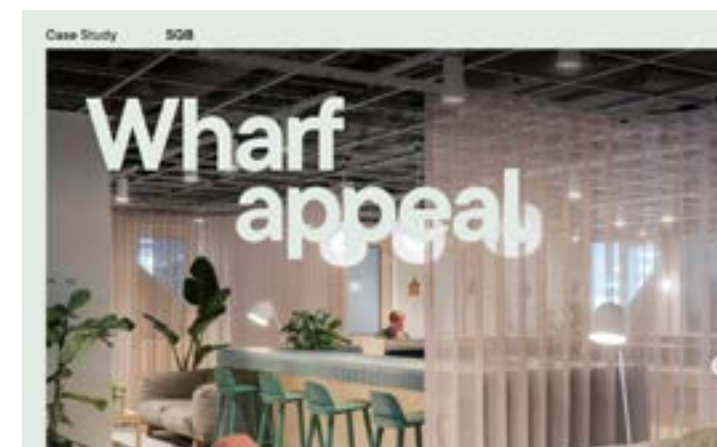

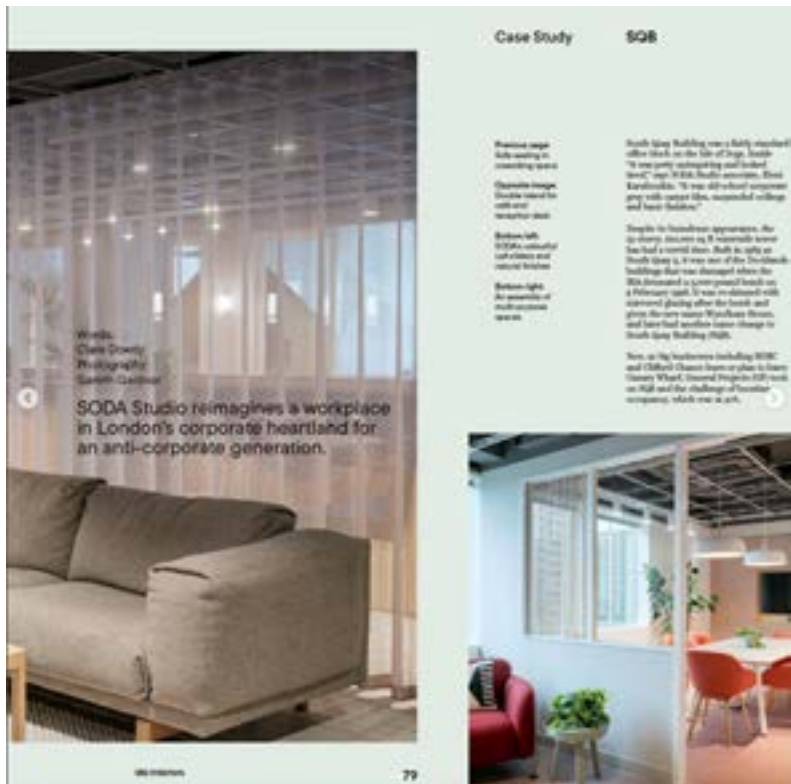

Our own Felicity Stewart with Aaron Peters, Adam Haddow, Adrian Fernandez, Nicole Mesquita-Mendes, Sally Hsu, Sharaan Muruvan, Tania Papatotiriou.

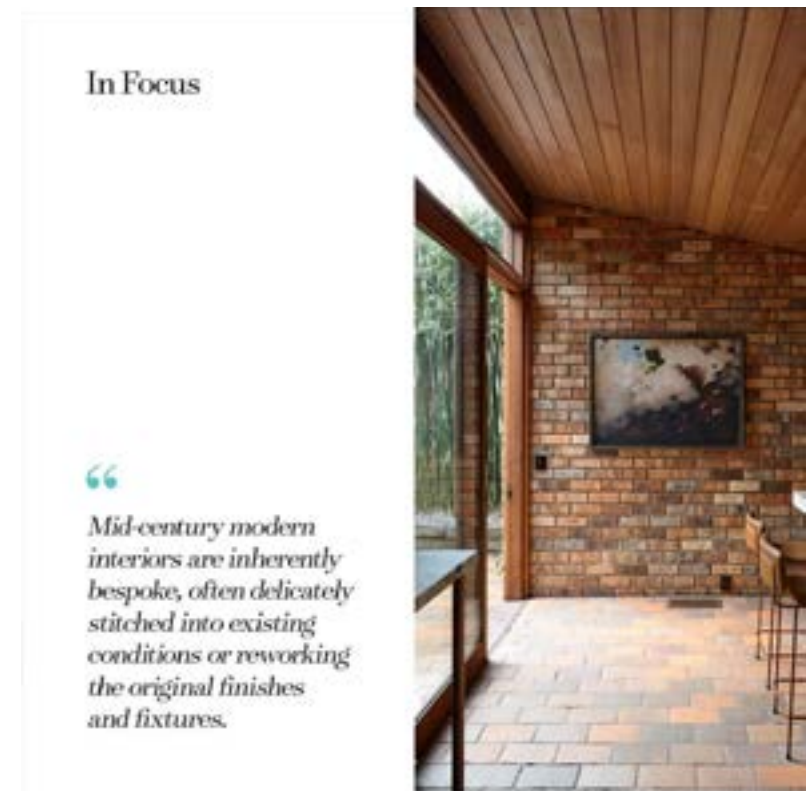

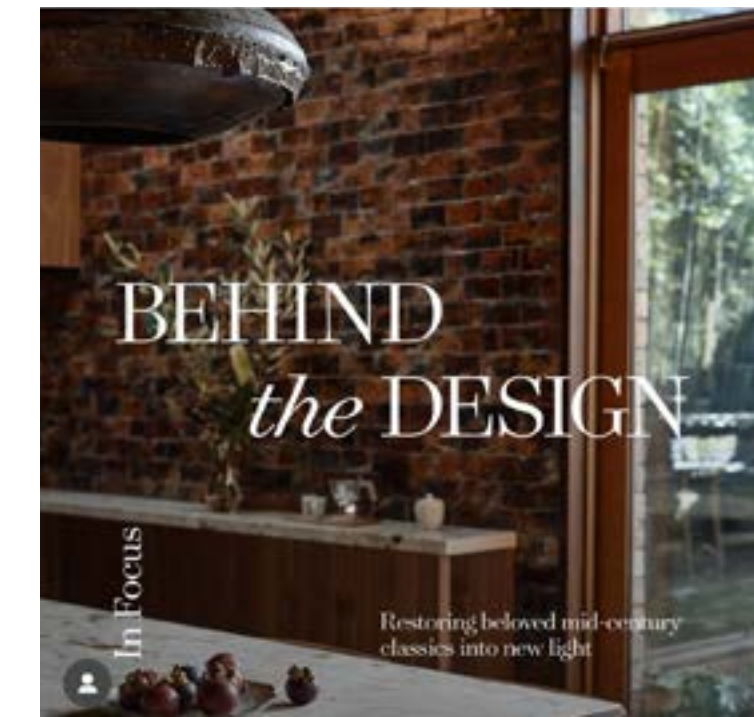

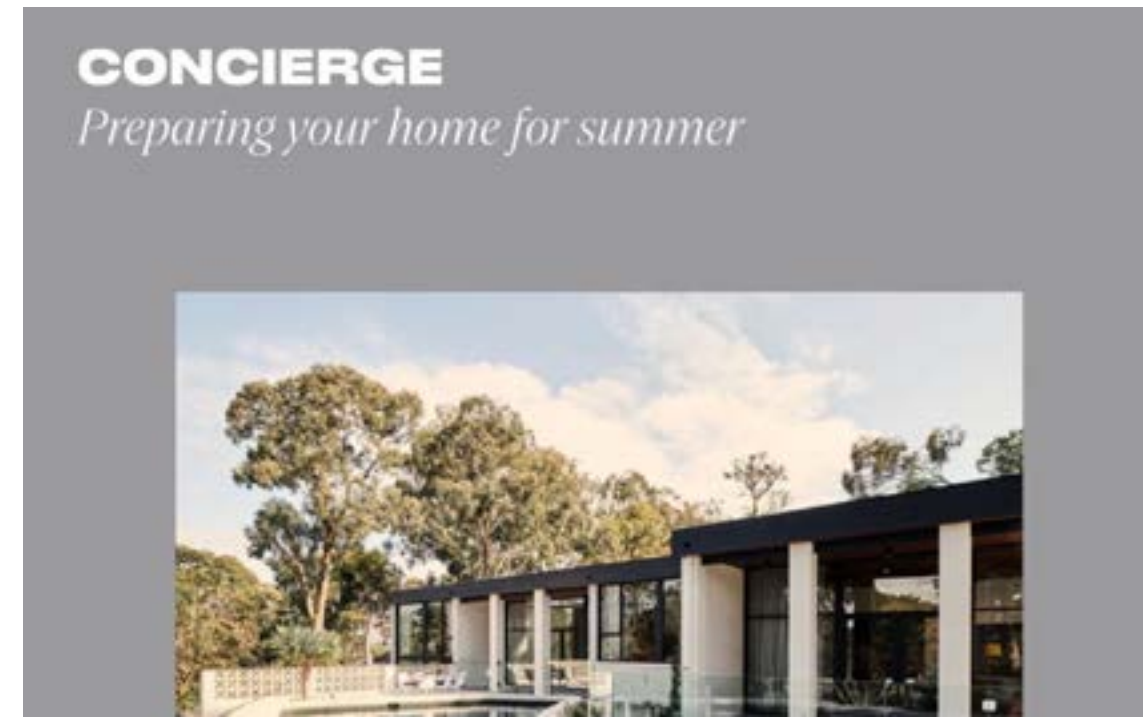

LIGHT IS EXPRESSED IN DIFFERENT WAYS THROUGHOUT THE RESIDENCE. THE SUBTLETY OF THE INCOMING NATURAL LIGHT INTERACTS WITH THE HAND-POLISHED PLASTER WALLS, ADDING A SENSE OF MOVEMENT TO THE PROCESS. THE MINIMAL USE OF DECORATIVE LIGHTING AND THE CHOICE OF THE FURNISHINGS ALL CONTRIBUTE TO THE CREATION OF A FEELING OF RESETTING THE MOOD ONCE INSIDE. BOTH SMALL AND MORE OBVIOUS DETAILS ARE CREATED TO MATCH THE FUNCTION OF EACH, AND TO ENHANCE THE EXPERIENCE. SPREAD OVER TWO LEVELS, THE UPPER FLOOR CONNECTS THE DIFFERENT SPACES WITH THE VIEWS AND REMAINS OPEN, WHILST THE LOWER FLOOR THE BEDROOMS ARE TUCKED AWAY.

Sydney-based industrial designer Tom Fereday discusses notions of permanence and the importance of reflection amid increasingly fast-paced production cycles.

LIGHT IS EXPRESSED IN DIFFERENT WAYS THROUGHOUT THE RESIDENCE. IN THE ENTRY, THE SUBTLETY OF THE INCOMING NATURAL LIGHT INTERACTS WITH THE HAND-POLISHED PLASTER WALLS, ADDING A SENSE OF MOVEMENT IN THE PROCESS. THE MINIMAL USE OF DECORATIVE LIGHTING AND THE SPARSENESS OF THE FURNISHINGS ALL CONTRIBUTE TO THE CREATION OF A FEELING OF CALM, RESETTING THE MOOD ONCE INSIDE. BOTH SMALL AND MORE OPEN SPACES ARE CREATED TO MATCH THE FUNCTION OF EACH, AND TO ENHANCE PASSIVITY. **SPREAD OVER TWO LEVELS**, THE UPPER FLOOR CONNECTS THE MAIN LIVING SPACES WITH THE VIEWS AND REMAINS OPEN, WHILST THE LOWER LEVEL ENSURES THE BEDROOMS ARE TUCKED AWAY.

In Focus

“Mid-century modern interiors are inherently bespoke, often delicately stitched into existing conditions or reworking the original finishes and fixtures.”

nab private wealth

Explore some of the standout artifacts from this year's Melbourne Design Week, each infused with compelling stories and exquisite workmanship.
